* Note: Organiser points not yet added.

Some event scores are liable to change (particularly Martin Down) as suitability of the speed ratios for the terrain are double-checked. Different ratios have been used for urban and forest events.

Age Class shown is the class at the first event completed. Speed ratios are calculated on exact age (where known from BOF rankings) and hence change from 2024 to 2025.

Only competitors who have attended more than one event are shown.
