

**FANCY A CHALLENGE?
WANT TO HAVE SOME FUN?
THEN TRY AND NAVIGATE YOUR WAY AROUND BOSCOMBE
BEACH, GARDENS AND CHINE**

Orienteering is a Sport for All; all abilities and all ages: children, families, groups of friends, wheelchair users, keen walkers, runners and international athletes. Orienteering takes place in parks, urban areas, forests and around towns and cities.

This leaflet introduces you to orienteering at Boscombe Beach and Gardens. You can start with an easy course, and then try one a bit more challenging, maybe returning another day to have a go at another course.

What to do next

The aim of the sport is to navigate your chosen course from Start to Finish and to visit all the control points on the way. The Start is shown as a red triangle, and the finish as two red circles. On this map, the Start and Finish are in the same place near the café.

Each control point has a red circle on the map and a letter alongside it. When you get there, you will find at the centre point of the circle on your map a red and white marker which has a letter on it. The marker may be on a post, a seat or any other suitable object.

Make sure you really are at the correct control point. Look around at the features nearby – do these match the features shown on the map? If not, have you found the wrong control point? Go back to the previous control, and try again.

Once you feel confident with the course or courses you have completed, you can try going around the courses in reverse, or perhaps try to visit all the controls in the shortest possible time. Why not try a relay with your friends or family, select a course and each of you take it in turns to run the course to see who is fastest.

Control Descriptions

In orienteering, every control is on a recognisable feature, so that it can be described.
